

REMARKS

In the paper mailed August 3, 2004, the Examiner imposed a restriction requirement pursuant to 35 U.S.C. § 121, alleging that the instant application presented more than one invention as follows:

- I. **Claims 41-46, drawn to a light-emitting panel, classified in class 313, subclass 582.**
- II. **Claims 47-57, drawn to the method of manufacturing a light-emitting display, classified in class 445, subclass 24.**

The undersigned hereby elects Group II, claims 47-57 to be examined at this time, without traverse. The undersigned representative reserves the right to file a continuation application for the remaining claims.

CONCLUSION

Should the Examiner determine that any further action is necessary to place this application into better form, the Examiner is encouraged to telephone the undersigned representative at the number listed below. In addition, if any additional fees are required in connection with the filing of this response, the Commissioner is hereby authorized to charge the same to Deposit Account No. 501458.

Respectfully submitted,
